Dear Friend:

The time has come for another major ABN project predetermined by the current international developments.

The Central Executive of ABN has decided to organize its next political conference in WASHINGTON, D.C., USA, on 13-15 May 1988. The discussion panels will address such vital issues as "The Subjugated Nations and the Policy of 'Glasnost'", "Soviet-inspired Actions Against the ABN", "'Glasnost' and the Free World", "The Current State of the National Liberation Struggle of the Subjugated Nations", etc.

The programme of the ABN conference will also include press conferences, a banquet, receptions and tours of Washington's historical sites.

Attending the various functions of the conference will be US officials, political analysts and many other important participants and guests from around the world.

The conference registration package (which includes hotel accommodation for 2 nights, banquet and reception tickets, and conference materials) will be approximately \$300.00 Canadian dollars per person.

This conference will be a very important event from the political standpoint. Therefore, we need your moral and financial support, and your active participation in this event.

Please let us know about your plans by filling out the enclosed form and returning it to us by 29 January 1988. Further information about the conference will be forthcoming on a regular basis.

Cordially yours,

OS/ob
