

Rycroft Alberta  
October 28 /37.

Dear John:

We are just dropping a few lines to let you know we are all fine - and hope you are in the best health.

The weather has been quite good - but day before yesterday we had a small snow fall which melted away the next day. To-day it has been raining a little and windy towards evening.

Nick Babuk got married to Sadie Kobelanski, and Archie Wherrell got married to Lena Boychuk - and no doubt you've heard that Harry Kushnerek died. The funeral took place a week ago Friday. John Kushnerek was here from Vancouver with his wife.

Ann has 40 children to teach this year, and Georg. Itornuk has 35.

The "Clifford Show" <sup>11</sup> was here from Edmonton  
last Tuesday - and will be here again  
on 5th of November.

We are sending the money (1.00<sup>00</sup>)  
if you get it, please answer.

Mother intended to send the  
money, or give it to you in the  
morning, when she left Edm. but  
they left at 5:30 so it was rather  
too early.

Mike Anderson is leaving for  
Edm, & then to States next week  
some time. Most likely you'll see him.

Not much more to say, so  
must close, will write more  
next time. Please answer soon.
