

April 1, 1937.

The Secretary-Treasurer,
Municipal District of Spirit River, No. 829,
SPIRIT RIVER, Alberta.

Dear Sir:

Re: John Yaremko and River Lot 3.

Mr. Yaremko has asked me to write you in regard to the amount owing for Taxes on the above land, and in regard to the position of the land, as to whether or not it is owned by the Municipality.

If the land is owned by the Municipality, at what price could it be purchased? If the land has been sold by the Municipality, what price was it sold for and was there a balance left over after payment of Taxes?

Yours very truly,

J. R. DRYSDALE.
