- (23) GEIDAR A. ALIEV, JEW, First deputy premier. Newer member of Politburo and too little time to learn place of birth or background.

This report was brought to us in late September of 1983. It is alleged to be accurate as of said date. Although one quarter of the top members of the Politburo are possibly non Jews, it is purported that the many, many deputies of the top men in the Politburo are ALL Jews and it is further stressed that there is no question relative to the above.

A cursory inspection of the Soviet Diplomatic Corps reveals that 90% of the Soviet Ambassadors are JEWS (at time of compiling this). The following JEWS are in key diplomatic posts: - DEBRININ (real name Guttman), Ambassador to U.S.A. A. DOBRYNIN (name Sonnen-schein), former Ambassador to Czechoslovakia. YUDIN, former Ambassador to Red China. FALLIN, Ambassador to Germany. Also included are GRISCHIN, MITKIN, SILIN, ROSCHIN, MOROSOV, YEPISHEV, SKRBYANIN and BENEDIKTOV, PAVLOV, OVINNIKOV & SOKOLOV.

The following substantiates a report that we had received in early 1983 and that is -- To facilitate Jewish Rule of the world, the Jews in Moscow, Tel Aviv, Washington and Europe (which includes the U.K.) have agreed on certain spheres of influence, The East to be under Andropov-Suslov-Kulakov, and the West under Rothschilds and Rockefeller. The Southern (Africa) under Oppenheimers (ALL JEWS).

In the Soviet Secret Police, the top men have always been Jews. The present name of the Soviet (JEWISH) organ of terror, foreign and domestic is the Soviet State Security Committee, abbreviated from the Russian as K.G.B. The following Jews occupy all the high positions. There are no non Jews. The very top man is the Jew Andropov. He is now President but also retains the K.G.B. Chairman position. Officially, the K.G.B. is a government agency ranking as a Ministry. Because the Soviet government structure parallels the administrative structure of the Communist Party, and the Party takes precedence over mere bureaucracy, the K.G.B. is actually accountable to the Administrative Section of the Communist Party's Central Committee Secretariat, headed by the Jew Suslov. In the K.G.B. Directorates we find General Alexander M. Sakharovsky (JEW) as head of the First Directorate, which employs about 10,000 agents abroad. The Second Directorate is headed by the Jew, Lt. General Oleg M. Gibanov and deals with Internal Security in the U.S.S.R. and satellites, employing about 250,000 secret police agents. The Second Directorate works directly with the Seventh, commanded by Major General V. L. Aladin (JEW) who has 3000 agents in Moscow. As is fitting in an organization designed by Jews, the Seventh is not co-equal, but bosses the Eighth, under Major General Serafin N. Lyanlin, (JEW). Closely connected in their activities the above three directorates are the personnel of the Ninth Directorate under Lt. General Pavel L. Zyryanov (JEW), the commander of the 100,000 border guards. Other JEWS are:

General of Police: Anatlij Ivanovich Lazarov.

Deputy General of 'Disinformation': V. R. Sitnikov.

Director of K.G.B. 'Illegal Operations': N.A. Korsnikov.

Generals of K.G.B.: Yevgenev P. Pitovgranov. Alexsey Ivanovic.

Director of Foreign Operations: M.S. Taymbal-Regov.

Director of Operations against Foreign Diplomats: Anotolij B. Gorski.

The Jews are in complete and sole charge of the USSR's economic administration, as they are in all Western countries. As the Soviet has a planned economy, we find Nikolai K. Baibakov (JEW) as its economic Planning Chief and Vasily F. Garbuzov (JEW) as Finance Minister. The 'Founding Fathers' of the Red Terror were JEWS; Lenin, a half Jew married to a JEWESS who played her part in the Bolsheviks' bloody JEWISH Feast of Purim, Trotsky, Uritski, Beria, Sverdlov, Dzorshinski, Monzhinski, Yagada, Kurglov, Ebgles, Marx, Shelepin, etc. etc. up to Andropov of today, ALL JEWS. During the 'Red Terror' millions of Russians were slaughtered by the Bolshevik JEWS, particularly the educated Russians so as to root out and stifle the past, and to kill off all the leadership, and in this they have been complete. The Russian Royal Family, who had been prevented from taking refuge in Britain by the JEWS... by Messrs Rothschild (JEW) and by Fabian pressure on King George V were slaughtered by the JEW Yourowski, and assisted by the JEWS Golostchokino and Sverdlov. (To cover up this ghastly monstrous crime committed by the JEWS, the Jewish controlled B.B.C. are continually pushing out lies to cover up their guilt which is rapidly becoming known to the British). And now more of the American population has been awakened to the above as FACTS.
