Mr. John Yaremko,
Empire Hotel, 96th Street,
EDMONTON, Alberta.

Dear Sir:

We have been advised by our Edmonton office that you have been inquiring about the final payment on your 1930 Pool deliveries.

Our records show that the matter of the relative delivery checking coupons was settled some time ago. The two Grower's Receipts reported for your account were identified, and a cheque for \$2.83 was mailed in your name to Rycroft post office on April 25th. When you return to this district, you will doubtless be able to secure the cheque from the Postmaster. We believe he is holding same, as it has not been returned to this office.

Yours truly,

ALBERTA WHEAT POOL.
