Dear Mr. & Mrs. Lahola:

Re: Tenant Survey for "Millennium Pavilion"

As you are aware, the "Millennium Pavilion" is planned for construction in September/October 1988. The funding for the project will be coming from the Federal and Provincial Governments. To reduce rents and provide financial support for the project, a special survey was requested by the government.

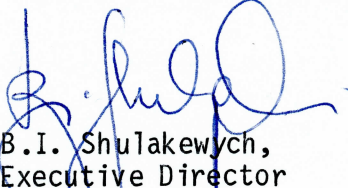

Since you have applied for residency in the "Millennium Pavilion", we will be contacting you in the near future to help us to answer questions regarding your status. The whole procedure will take less than 10 minutes. Your answers will be held in strict confidence and will be used only for this study. They will deal with your present accommodation, health status, income and expenses. No questions will be asked about your bank account, assets or other holdings - only income and expenses. You will be contacted at the beginning of September, 1988 by one of the employees of St. Michael's. A visit with you may be set. The surveyors, who speak both English and Ukrainian, are: Mrs. Angie Kobasiuk, Mrs. Phyllis Paranych and Mrs. Nadia Supervich.

At the visit, they will give you information on the project, discuss the survey and any other matters. If you have any questions in the meantime, please contact Mrs. A. Kobasiuk or Mrs. P. Paranych at 473-5621.

Please help us with this study.

Yours sincerely,

ST. MICHAEL'S EXTENDED CARE CENTRE
