

Displaced Persons Entertained At Supper Thursday

A special St. Patrick's Day treat for 57 New Canadian girls was given Thursday by the Progressive Conservative Women's Association, when the members entertained at a supper for them prior to their regular Thursday evening English classes. Miss Helen Ulmanis, a pretty Latvian girl who addressed her friends on Ireland's patron saint, is shown at the left in the above picture. Next to her is Katie Nechay, who hails from the Ukraine, and next to her is Mrs. Philip Konashewsky, who is at the "Y" each Thursday to interpret for members of the New Canadian Club. At the right is Mrs. E. Jacquest, one of the members of the association who was assisting with arrangements.
