

Rycroft, Alberta.
December 22, 1937.

Dear John:

How are you getting along? We're all fine here - the weather has been very nice so far.

Dad & Mother were to see Lena on Sunday at Fairview. There are many school concerts. The Greenway school concert is this Thursday and the Rycroft to-morrow.

We took the rig from Kotek - only took the rig but not the saw.

The last two days it has been chinooking so there is hardly any snow left except for the one that fell this morning.

Bill Pauluchuk has gone to Fort Saskatchewan for three months as he stole some quilts, dishes etc from ^{Mat} Kereluk.

Bill Kushneryk has gone for six months.

For a Christmas present we are sending you a pair of stockings. Maybe you wouldn't like to wear them in the city but they are warm.

How is Edw? Tell us all about it say Hello & Merry Xmas to Kotek from us. Are you still with him?

2.

Will close for now, answer if you
received these stockings.

Tell us how you are spending your
Christmas holidays.

Merry Christmas & Best
of Health.
