

Rycroft Alberta,
May 1. 1936.

Dear John:

Thanks ever so much
for the stamped envelope
and also for your letter.

We are all fine
hope you are in the
same condition.

Are you out of the
hospital by now?

It is very nice
around this country.
grass is growing sunshine
etc.

By the way yesterday
April 30. was the case
about Mike Bzoway & Nick
Hudyma. Jack was Nick's
witness. Mike Bzoway has
to go to jail for 1
month only. And Nick
has to pay all the
expense of his own

about the hospital & lawyer & doctor, trip to Grande Prairie.

No one is seeding as last wk there was a snow fall again and when the snow melted it was very wet so the farmers are waiting for dry weather next wk in order to be seeding. Ma is sowing calflower etc.

Mrs Amiel Zakara is so very sick that Mr. A. Zakara is going with her to Edm. to-day. The Doctor says she has goulsten. So you might see them. She is so very very ill that she has to go to Edm with the bed. We

100

were there yesterday &
we saw her. We didn't
see Katyk for a long
time as he is at
Ester and we don't know
when till move to
your place. Your
chickens are at Delys
and if there are any
clucking hens can
noted take any
as we haven't any
clucking hens this year.
We have no chicks
yet. and Jack bought
a bicycle from George
Zeba & we are learning
to ride it. Anne
could ride it a
little but not Nancy
or Victoria (9).

The pig you gave us
had gone for Jack
and Jack feeds him
so well cause its
his and it is so big
& fat already.

Please write when
you'll be coming home
as we would like
to know when to
go & meet you on the
train. For the mean
time. Good Bye &
Good Luck

Answer
soon
Please.
